### Change to K-5, 6-8 configuration

Longer instructional day for 6th graders

Opportunity for advanced coursework

6th grade curriculum is already 6-8, teacher training

Earlier exposure to sports & fine arts

No lost instructional time for late start ES students (band)

Allows for space to expand to full day KG

### Rebuild/Renovate Idaho Falls HS on site

Hybrid of previously discussed options

Keeps IF walkable for many current students

Maintains HS presence in the center of town

Adds new, modern instructional spaces

Modernizes existing infrastructure

Existing facilities are inadequate as a long-term solution

### Renovate Skyline HS

Updates & modernizes some instructional spaces

Provides better access to student services, counseling, college & career, admin

Improves site security & way finding

Provides performing arts space that can be used by all schools

### Build a HS CTE center

Provides space necessary to optimize enrollment

Provides lab space for hands-on learning

Accessible to all high schools

Proximity to business community

### Rebuild Temple View & Linden Park, repurpose Bunker for early childhood center

Addresses top elementary schools condition needs

Allows for expansion of Pre-K and All-Day KG programs
